With 65 halls and 50,000 square meters of exhibition space, Allianz Mico is one of the most prestigious venues for trade fairs and events in Italy. The structure is located in the center of Milan, the economic engine of the country. Thanks to its cutting-edge infrastructure, its restaurants and hotels and the countless opportunities for entertainment and shopping, design and museums, Allianz Mico is the ideal place to make the trade fair experience pleasant and profitable. The structure is located near the "Portello" stop of the purple line (M5) of the subway, a few steps from the CityLife district and Corso Sempione.

# Why exhibit?

By exhibiting at Go International® 2025, your company will have the opportunity to come into direct contact with a highly qualified audience of manufacturing SMEs, ready to discover solutions for their internationalization journey. Participating as an exhibitor will allow you to present your export services to potential partners and expand the visibility of your brand internationally. Located in the heart of Milan, the commercial capital of Italy, Go International® is the ideal meeting point to start new collaborations, make commercial agreements and seize exclusive networking opportunities. Every meeting at Go International® can turn into a new opportunity for growth for your business.

# Why visit it?

Visiting Go International® offers you a unique opportunity to connect with a large international network of potential business partners. Thanks to our Buyer Program and International Matching, you will have the opportunity to meet selected buyers and foreign professionals from different regions of the world. These B2B meetings are designed to optimize your growth opportunities and build solid and lasting relationships. In an increasingly globalized context, Go International® represents the point of reference for companies that want to interact with industry specialists and establish contacts with the main international trade institutions. You will be able to participate in informative workshops and access a dedicated platform to facilitate B2B meetings. In addition, you will have the opportunity to receive personalized advice on internationalization and export, to strengthen your business on global markets.
